

Wie Tappen auf Tau

**Daniela Müller
& Axel Töpfer**

Opening Saturday | September 26 | 18:00

Exhibition until October 11, 2026

hotti | Freiestrasse 56 | Zürich | hotti.club

Daniela Müller and Axel Töpfer's collaborative exhibition «Wie Tappen auf Tau» examines institutional and popular forms of representation through moss and the Congolese okapi, figures of quiet resistance and displaced bodies. Together they open a hybrid territory where non-human presences intersect, imagining alternative ways of seeing, hearing and living together.
